36 weeks – 2012

*If you give a child a fish, you feed him for a day.
If you teach a child to fish, you feed him for life.*

OUR LADY OF VICTORY HOMESTUDY GUIDELINES FOR
GOD GAVE ME THE GIFT OF LANGUAGE - GRADE THREE

Abbreviations:

GGL – God Gave Me the Gift of Language #3 Workbook

GRADES - Please remember to provide grades for every assignment. Give a percentage grade, i.e. 88%. Otherwise, give the number of problems **WRONG** over the **TOTAL NUMBER OF PROBLEMS: (-3/25)**. The E-Z Grader is very helpful to determine the percentage grade. The grading chart provided by Our Lady of Victory School is:

(97-100) Excellent	(77-80) Upper Average
(93-96) Superior	(73-76) Average
(89-92) Very Good	(70-72) Below Average
(85-88) Good	(66-69) Barely Passing
(81-84) Above Average	(0-65) Fail

ASSIGNMENTS SENT TO SCHOOL - Send in assignments as requested on Lesson Plans (where it indicates “send graded paper to school” or “send ungraded paper to school.”)

Papers sent to school should be on 8 1/2 x 11 notebook paper. **DO NOT** send papers torn out of spiral notebooks without making sure the edges are cut straight. (Assignments may be written on both sides of the paper to save on paper and postage.) Encourage the students to send in neat, readable papers. (Please, no scribbles or tears.) **All assignments must be handwritten.** **DO NOT PRINT!!!** Make sure all writing is legible -- very neat so that there is **NO** question on the tutor's part as to what was written. Anything that cannot be read will result in a lower grade for that assignment. If the entire paper, or a good part of it, cannot be read, the paper may be returned to you or a **FAIL** may be given.

Make sure there is a proper heading on all assignments -- name, grade, week, subject, what the assignment actually is (page number, etc.), and the date on which the assignment was actually done.

GRAMMAR - Follow the instructions on the lesson plans. When pages are assigned, please read and discuss assignment with the student so the student understands the concept of the lesson.

PREPARATION FOR REVIEWS - GENERAL INSTRUCTIONS - Parent/Tutor may want to take some time, previous to the day of a test, to prepare a student for taking a test. To do this, cover the test material with the student, but also include other questions along with test questions so the student will **not** know exactly which questions will be on the test. **Giving the student only the test questions would be unfair and considered cheating.**

ALL PROBLEMS OR QUESTIONS ON TESTS MUST BE ANSWERED - However, all of the work does not have to be completed the same day. You may reduce the amount of daily work, split the test into two parts, and give it on two consecutive days.

While home schooling, always remember to encourage the child in his/her efforts to learn and commend all good work, even the slightest effort. You may be surprised by the positive response you receive.

If you have any questions, please do not hesitate to telephone the office at 208-773-7265 between the hours of 9:00 and 3:30 Pacific Time. (Remember, Idaho time is 3 hours earlier than New York, i.e. when it is 9:00 a.m. in New York, it is 6:00 a.m. in Idaho.)
